

VIP POOL GUIDE

DESCRIPTION

This guide is a manual guide for setting the required permissions for the Tron blockchain. Using the automatic button is encouraged to avoid any manual mistakes instead. This has been created to show the process involved and for transparency purposes.

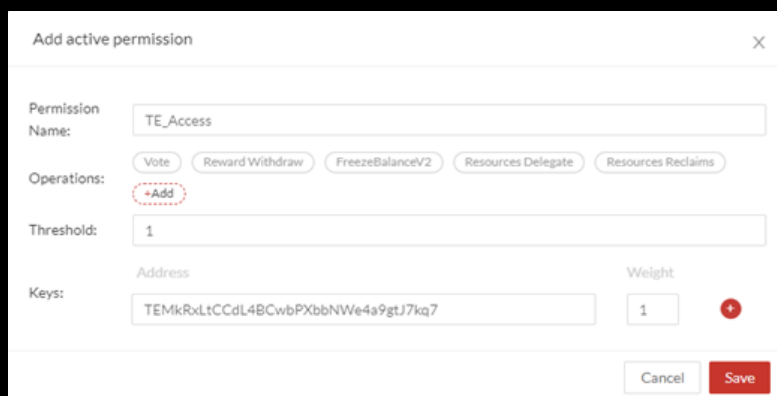

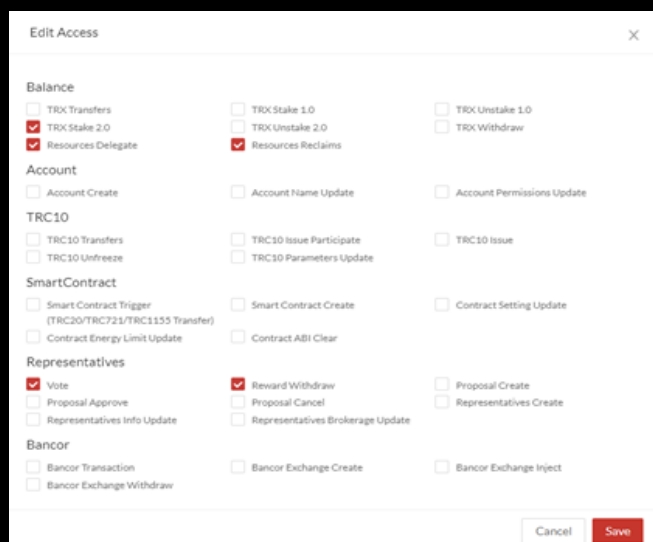

INSTRUCTIONS FOR PC

1. Log in to your account on Tronscan
2. Enter your account settings. (<https://tronscan.org/#/wallet/account>)
3. Click the "**Edit Access**" button in the Owner Access section.
4. You will now see a red button that says "+ **Add new access**" in the Active Access section. Click it.
5. In the "Add active access" popup, under Access Name, you can put anything (E.g. TE_Access), Click the **+Add button** and select **TRX Stake 2.0/Resources Delegate/Resource Reclaim/Vote/Reward Withdraw** checkboxes and click Save. In the Threshold box, enter 1. In the Weight box, join one and put our address below in the Keys box
